

Prepared for Life

Verdugo Hills Council Lifeguard Training Program

The revised BSA Lifeguard program is now focused on the need to provide professional lifeguards for BSA-operated facilities, council aquatics committees, and year-round aquatics programming with training that meets the requirements of government agencies at regulated swimming venues. This program is open to all registered adults and older youth (age 15 and older). BSA Lifeguard is recommended for aquatics staff lifeguard training and for those who wish to work as lifeguards for BSA year-round aquatics programs, or who are supporting council aquatics committees, as the next step beyond the Aquatics Supervision programs for unit leaders.
